ESTRO BASS 18P

18" Bass-Reflef Passive Subwoofer

ESTRO BASS 18P is a passive, bass-reflex subwoofer that is compact, lightweight and very easy to use. It is ideal for both fixed installations and for live music events or general PA. ESTRO BASS 18P has a program power of 1600W with 18” professional custom woofer. This model has a sturdy, lightweight and stylish plywood housing with metal grille and acoustic foam to protect the transducers inside and give an attractive appearance. It also has 4 recessed handles (2 on each side) and a standard M20 mounting hole to allow any type of installation with SUBST100-BK or SUBST100-M20 poles. Finally, it is arranged to mount 4 x 100mm wheels on the back for easy transportation and storage.
