

## STILE B200P

### Gooseneck Microphone Universal Base with Push-to-Talk Button

STILE B200P is a universal base for gooseneck microphones designed for positioning on tables or desks. It weighs 410g (14.46oz.) and assures high stability even in case of accidental bumps against the microphone.

The base is equipped with a **Push-to-Talk button**, which activates the microphone only when pressed, and green light. It accepts **external +48V Phantom power** coming from the output audio cable to power condenser microphone capsules.

## PRODUCT DETAILS
